(Revised on December 28, 2018, approved by the Vice President for General Affairs, page 2/3)

Venue Usage of Affidavit

Date of use : <u>//~//</u>Activity name :

The use of venues (please tick): 1. Large Lawn(North Campus, South Campus) 2. Campus Open

Space/Road 3.Barbecue Area

The venue user (the person who has completed the affidavit) has read and understood the "NTHU Venue and Equipment Management and Revenue Management Essentials" and "NTHU General Affairs Office Venue and Equipment Management Regulations and Charging Standards" and other related venues' rules of use.During this event, those using the above venues are willing to abide by the regulations—in cases of violation, they will bear the relevant legal responsibilities—and promise:

1. The qualifications and nature of the activities of this venue meet the requirements and do not involve political, religious, or commercial propaganda; violate good customs; or affect the reputation of the school or public safety. If anything affects teaching, research, safety, or other school affairs, or violates laws and regulations and school regulations, agree to immediately stop its use.

2. Activity handling method (please tick):

nandning method (please tiek).					
On-campus units	Actually not co-organized with <u>off-campus</u> units.				
Apply to use	Actually co-organized with <u>off-campus</u> units. The name of the off-campus unit				
Off-campus units	Actually, it is not co-organized with the <u>on-campus</u> units and will				
Apply to use	not apply for use in the name of the on-campus units or promote the event in the name of the sponsored schoolor co-organized event.				
	Actually co-organized with the <u>on-campus</u> units. The name of the on-campus unit				

3. If the environmental equipment is damaged during the use of the venue, the venue user agrees to confiscation of the depositrefund and accepts responsibility for repairing the damaged equipment to its original condition or to pay the school's repair costs in full.

4. The user of this venue agrees not to use information and communication products (including software, hardware and service operations) sold by Chinese (i.e. mainland) brands (including but not limited to companies established in China and individuals with Chinese nationality).

5.For venues where eating and drinking are prohibited, if illegal eating and drinking occurs (including staff, third-party vendors, attending guests, and audiences), venue users agree to pay a fine of NT\$ 3,000; if there is no improvement, the full deposit refundwill be deducted.

6. At the end of the event, venue cleaning will be done on its own, and the garbage will be sorted and removed according to the relevant regulations of the school and the Bureau of Environmental Protection Hsinchu City. If the rules are not followed, the venue user agrees to pay a fine of NT\$ 3,000; if the school is fined due to improper handling, the relevant fines shall be borne by the venue user.

7. The venue user does indeed assume public liability insurance for the event, and the venue user shall be fully responsible for any accidents caused by the event.
